### **Google Analytics Acquisition Overview**

# **PESTEL Analysis**

The construction industry in Pakistan is influenced by government policies related to infrastructure development and construction projects. Changes in policies may impact demand for construction materials.

Understanding and adapting to changing consumer preferences in construction materials is essential for Zarea.pk to stay competitive.

**Political** 

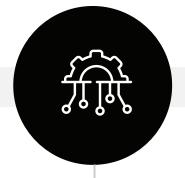

The overall economic stability of Pakistan affects consumer purchasing power. Economic fluctuations may impact the demand for construction materials and, consequently, Zarea.pk's sales.

**Social** 

Increasing awareness of environmental issues may drive demand for sustainable and eco-friendly construction materials. Zarea.pk should consider incorporating environmentally friendly options in its product portfolio.

# **Technological**

Legal

Dependence on a robust digital infrastructure is critical for Zarea.pk's online platform. Any issues with internet connectivity or technology infrastructure may impact the business.

Adherence to labor laws and regulations in the construction sector is essential. Any changes in labor laws may impact costs and operational efficiency for Zarea.pk.

# CEO's Review

### Dear Shareholders,

I am honored to address you in this annual report as we reflect on remarkable another year at Vision 2A private limited through its E-commerce Platform "Zarea.pk", a leading player in the dynamic land-scape of e-commerce for construction materials. As we navigate the challenges of the global market, I am pleased to report that our commitment to innovation, efficiency, and customer satisfaction has positioned us for continued success.

In the ever-evolving world of e-commerce, our company has remained at the forefront of the construction materials industry, providing a seamless platform for the procurement of essential items such as cement, steel, wires, and sand. The past year has been a testament to our resilience and adaptability, with robust growth in bothrevenue and market share.

Our success is driven by a relentless focus on customer needs. We understand the critical role construction materials play in the development of infrastructure and the success of projects. Therefore, we have continued to invest in enhancing our platform, ensuring a user-friendly experience, and expanding our product offerings to meet the diverse requirements of our valued customers.

Innovation has been a cornerstone of our strategy. Our state-of-the-art technology platform has not only streamlined the purchasing process but has also allowed us to offer personalized solutions, ensuring that our customers have access to the right materials at the right time. From sourcing to delivery, we are committed to leveraging technology to create efficiencies across the supply chain.

Sustainability remains a key focus for Vision 2A private limited. We recognize our responsibility to contribute to a more sustainable future for the construction industry. In the past year, we have intensified our efforts to source environmentally friendly materials, reduce our carbon footprint, and promote responsible practices throughout our network.

Our partnerships with suppliers and stakeholders continue to strengthen, fostering a collaborative ecosystem that benefits everyone involved. We extend our gratitude to our dedicated team, whose hard work and commitment have been instrumental in achieving the milestones we celebrate today.

Looking ahead, we are optimistic about the opportunities that lie before us. The construction industry is evolving, and Vision 2A private limited is well-positioned to lead the way. We will continue to invest in technology, expand our product offerings, and explore new avenues for growth. As we pursue these goals, we remain steadfast in our commitment to delivering value to our shareholders, customers, and the communities we serve.

I want to express my sincere appreciation to our shareholders for their continued trust and support. Together, we will build on the successes of the past and create a future that is not only prosperous for Vision 2A private limited but also contributes to the advancement of the construction industry as a whole.

Thank you for being part of our journey.

Sincerely,

Ali Alam Qamar

CEO, Vision 2A private limited

#### INDEPENDENT AUDITOR'S REPORT

#### To the Members of Vision 2A Private Limited

# Report on the Audit of the Financial Statements for the year ended 30th June 2022 Opinion

We have audited the annexed financial statements of Vision 2A Private Limited (the Company), which comprise the statement of financial position as at June 30, 2022, and the statement of income and expenditure, statement of comprehensive income, the statement of changes in funds, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of income and expenditure, statement of comprehensive income, the statement of changes in funds and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30,2022 and of the income, comprehensive income, the changes in funds and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Directors' Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017(XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, design and perform audit procedures responsive to those ricks, and
  obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
  The risk of not detecting a material misstatement resulting from fraud is higher than for one
  resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- · Conclude on the appropriateness of management's use of the going condemn basis of acounting

### Naveed Zafar Ashfaq Jaffery & CO.

Chartered Accountants

and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financ statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained up to the date of our auditor's report. Howeve future events or conditions may cause the company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal that we identify during our audit.

Report on other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- 1. Proper books of account have been kept by the company as required by the Companies Act,20 (XIXof 2017)
- 2. The statement of financial position, income and expenditure statement, statement of comprehensive income, the statement of changes in funds and the statement of cash flows together with the notes thereon have been drawn up in conformity with the companies Act, 20(XIXof 2017) and are in agreement with books of account and returns;
- 3. Expenditure incurred during the year was for the purpose of the company's business; and
- 4. No zakat was deductible at source under the zakat and usher Ordinance, 1980(XVIII of 1980).

The engagement partner of the audit resulting in this independent auditor's report is Shahid Mohsin Shaikh (FCA)

### VISION 2A PRIVATE LIMITED NOTES TO THE FINANCIAL STATEMENTS For the year ended June 30, 2022

#### 1 Legal status and Nature of Business

Vision 2A Private Limited is a private limited company. The company was incorporated on 16 September 2020 under the Companies Act, 2017 on May 30, 2017.

The principal activity of the company is to act as an online market place that has created a software application through which customers and vendors connect for purchase and sale. The company charges a platform usage fee for allowing access to its software application.

The company's registered office is situated at 103/2 Fazil Road St. Johns Park.Cantt Lahore Punjab.

#### 2 Basis of preparation

The significant accounting policies applied in the preparation of these financial statements are set out below:

#### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

International Financial Reporting Standard for Small and Medium Sized Entities (IFRS for SMEs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and

Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS for SMEs, the provisions of and directives issued under the Companies Act, 2017 have been followed.

#### 2.2 Basis of measurement

These financial statements have been prepared under 'historical cost convention' except as otherwise stated in respective accounting policies notes.

The preparation of financial statements in conformity with the Accounting and Financial Reporting Standards for Medium-Sized Entities issued by the Institute of Chartered Accountants of Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amount of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

Significant areas requiring the use of management estimates in these financial statements relate to the useful life of depreciable assets, provision for doubtful receivables, slow moving inventory and deferred taxation. However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of assets and liabilities in the next year.

#### 2.3 Functional and presentation currency

The financial statements are presented in Pakistan Rupees, which is the Company's functional and presentation currency.

### 2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgments were exercised in application of accounting policies are as follows:

- determining residual values and useful life of assets;
- provisions;
- recognition of taxation;
- contingencies and commitments.

NZASHO

### VISION 2A PRIVATE LIMITED NOTES TO THE FINANCIAL STATEMENTS For the year ended June 30, 2022

#### 3 Summary of significant accounting policies

The significant accounting policies adopted in the preparation of these financial statements are set out below:

#### 3.1 Property, plant and Equipment

#### (a) Owned assets

Property and equipment are stated at cost less accumulated depreciation and any identified impairment loss.

Depreciation is charged to profit or loss using the straight line method whereby the cost less residual value of an operating asset is written off over its estimated useful life. Depreciation is charged on additions from the month of its acquisition whereas no depreciation is charged on assets disposed off during the month. The rates of depreciation are stated in note 4 to the financial statements. The assets' residual values and useful lives are reviewed, at each financial year end, and adjusted if impact on depreciation is significant.

The Company assesses at each reporting date whether there is any indication that property and equipment may be impaired. If such indication exists, the carrying amount of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amount, assets are written down to their recoverable amounts and the resulting impairment loss is recognized in profit or loss currently. The recoverabl amount is the higher of an asset's fair value less costs to sell and value in use. Where an impairment loss is recognized, the depreciation charge is adjusted in the future periods to allocate the asset's revised carrying amount over its estimated

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repair and maintenance costs are charged to profit or loss during the period in which they are incurred.

The gain or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as an income or expense in the period in which it is incurred.

#### (b) Capital Work In Process

Capital work in progress is stated at cost less any identified impairment loss.

#### 3.2 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit or loss in the expense category that is consistent with the function of the intangible assets.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

An intangible asset is derecognised upon disposal (i.e., at the date the recipient obtains control) or when no future economic benefits are expected from its use or disposal. Any gain or loss arising upon derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss.

#### Capital work-in-progress

Capital work in progress is stated at cost less any identified impairment loss

#### 3.3 Trade and Other Receivables

Trade receivables and other receivables are recognised at transaction price less an allowance for impairment.

A provision for impairment of trade receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is recognised in the statement of profit or loss. Bad debts are written-off in the statement of profit or loss on identification.

#### 3.4 Advances, Deposits and Prepayments

These are stated at cost less estimates made for any doubtful receivables based on a review of all outstanding amounts at the balance sheet date. Balances considered bad and irrecoverable are written off when identified.

# VISION 2A PRIVATE LIMITED NOTES TO THE FINANCIAL STATEMENTS For the year ended June 30, 2022

### 3.5 Cash and Cash Equivalent

Cash and cash equivalent, for the purpose of statement of cash flows, comprise of cash in hand and balance at bank, including both current and non checking bank accounts

#### 3.6 Trade and Other Payables

Trade payables and other payables are recognized intially at fair value plus directly attributable cost, if any and subsequently measured at amortized cost.

#### 3.7 Related party transactions

Transactions involving related parties arising in the normal course of business are conducted at the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Parties are said to be related if they are able to influence the operating and financial decisions of the Company and vice versa.

#### 3.8 Financial Instruments

All financial assets and liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. A financial asset is de-recognized when the company loses control of its contractual rights that comprise the financial asset. A financial liability is de-recognized when it is extinguished. Any gain or loss on de-recognition of the financial assets or liabilities is taken to profit and loss account currently.

#### 3.9 Off Setting of Financial Assets and Financial Liabilities

Financial assets and financial liabilities are off-set and the net amount is reported in the statement of financial position if the Company has a legally enforceable right to set-off the recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

#### 3.10 Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for the services in the ordinary course of the Company's activities. Revenue is recognized as follows:

## Platform Usage Revenue

This is the platform usage fee charged by the company for allowing access to the application. The Company charges a platform usage fee of each transaction.

## 3.11 Taxation

Income tax comprises of current tax and deferred tax.

Income tax expense is recognised in the statement of profit and loss except to the extent that it relates to items recognized in other comprehensive income or directly in equity (if any), in which case the tax amounts are recognized directly in other comprehensive

## **Current Tax**

Provision of current tax is based on the taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profit for the year if enacted. The charge for current tax also includes adjustments, where considered necessary, to provision for tax made in previous years arising from assessments framed during the year for such years.

## **Deferred Tax**

Deferred tax is accounted for using the balance sheet liability method in respect of all temporary differences arising from differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of the taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverse based on tax rates that have been enacted or substantively enacted by the reporting date. Deferred tax is charged or credited in the unconsolidated statement of profit or loss, except in the case of items credited or charged to other comprehensive income or equity in which case it is included in other comprehensive income or equity.
